

MODEL ACTIVITY TASK
CLASS – VII
ENGLISH

Read the passage carefully and answer the questions that follow:

You know of course that our earth is very, very old- millions and millions of years old. And for a long long time there were no men or women living in it, before the men came there were only animals, and before the animals there was a time when no kind of life existed on the earth. It is difficult to imagine this world of ours which is so full today of all kinds of animals and men, to be without them. But scientists and those who have studied and thought a great deal about these matters tell us that there was a time when the earth was too hot for any living being to live on it.

ACTIVITY: 1

Answer the following questions in complete sentences:

- (i) How old is the earth?
- (ii) Describe the earth before man existed.
- (iii) Why was there no life on earth?
