

Model Activity Task

Class– III

English

Full Marks : 15

Read the passage carefully and answer the following questions :

Animals like cows, goats, sheep and horses eat grass and plants. Dogs eat meat, fish and even rice and bread. Cats eat fish and drink milk. All animals drink water.

We call a baby dog a puppy. The baby cat is called a kitten. A calf is the baby of a cow and a colt is the baby of a horse. The baby sheep is called a lamb while the baby goat is called a kid. The baby duck is called a duckling and the baby hen is called a chick.

The sounds of the animals are varied as well. Dogs bark, cats mew, cows moo, sheep bleat, donkeys bray and horses neigh. All these animals are different in nature. But they are our friends.

Activity 1

Complete the following sentences with information from the text:

[1×3 =3]
