

MODEL ACTIVITY TASK II
ENGLISH
CLASS VII

Read the following passage and answer the questions given below:

We would find a hammer for him, and then he would have lost sight of the mark he had made on the wall, where the nail was to go in. Each of us had to get up on the chair beside him, and see if we could find it. We would each discover it in a new place, and he would call us all fools.

Trying to reach a point three inches beyond what was possible for him to reach, the string would slip, and down he would slide on to the piano.

ACTIVITY 1

- (d) There is not a single oil pump in our area.

Activity 4

Write the summary of the given passage:

The constable came. He took me by the hand and pushed me out. My luggage was also taken out. I refused to go to the other compartment and the train steamed away. I went and sat in the waiting room, keeping my hand-bag with me, leaving the other luggage where it was. The railway authorities had taken charge of it.

Students will write answers to these activity tasks in subject specific exercise books at home, and submit the exercise books to respective subject teachers after schools reopen. Under no circumstance, students will go out of home.
