

MODEL ACTIVITY TASK
ENGLISH
CLASS – III

Read the passage and answer the questions that follow:

Once upon a time, three fishes lived in a lake. They were very close friends. All three of them were very different from one another.

The first one believed in fate. He thought what had to happen would happen. The second one was intelligent. He thought he knew how to solve a problem with his intelligence. The third one was the wise one. He thought long before taking any action.

Activity 1

Write ‘T’ for True and ‘F’ for False against the statements in the boxes given below:

- a) There were three fishes.
- b) The fishes lived in a river.
- c) The fishes hated one another.

Activity 2

Answer the following questions:

- a) Which fish was intelligent?

- b) What did the third fish do before taking an action?

- c) What did the first fish think?

Activity 3

Fill in the blanks with appropriate action words from the list:

- a) Rubina _____ bread with a knife.
- c) The Earth _____ light from the Sun.
- d) Lion _____ flesh.

[List: gets, eats, cuts]

Activity 4

Write five sentences about the importance of Water.

Students will write answers to these activity tasks in subject specific exercise books at home, and submit the exercise books to respective subject teachers after schools reopen. Under no circumstance, students will go out of home.
