

MODEL ACTIVITY TASKS
CLASS – VIII
ENVIRONMENT AND GEOGRAPHY

Answer the following questions:

1. Draw a labelled diagram of Earth's interior to show the different layers and discontinuities.
2. Write in your own words about the remedial measures to be taken when an earthquake occurs.
3. Mention the use of three types of rocks in five different sectors with suitable examples.
4. Why would you think that India should keep good relations with her neighbouring countries?

Students will write answers to these activity tasks in subject specific exercise books at home, and submit the exercise books to respective subject teachers after schools reopen.
Under no circumstance, students will go out of home.
