

MODEL ACTIVITY TASKS
CLASS – X
GEOGRAPHY AND ENVIRONMENT

Answer the following questions:

1. Describe with suitable sketches any two depositional landforms of river.
2. Mention three measures to prevent desertification.
3. Differentiate between eastern and western coastal plains of India.
4. Describe the effects of excessive extraction of groundwater.

Students will write answers to these activity tasks in subject specific exercise books at home, and submit the exercise books to respective subject teachers after schools reopen.
Under no circumstance, students will go out of home
