

**MODEL ACTIVITY TASKS**  
**CLASS – III**  
**OUR ENVIRONMENT**

---

*Write the answers to the questions given below :*

1. How do we benefit from consuming neem leaves?
2. “Treated as vegetable in unripe condition and as fruit after ripening” –give two such examples.
3. What need to be checked before consuming packaged food and why?
4. Write about the similarities between chimpanzee and man.
5. Write the names of three such foods that can be prepared from milk.

---

**Students will write answers to these activity tasks in subject specific exercise books at home, and submit the exercise books to respective subject teachers after schools reopen.  
Under no circumstance, students will go out of home.**
