

MODEL ACTIVITY TASKS
CLASS – IV
OUR ENVIRONMENT

Write the answers to the questions given below :

1. The tigers are on the brink of extinction. Why do you think that this is happening?
2. What are the undesirable constituents of air?
3. How would you separate sand and water from their mixture?
4. What measures should we take to keep the teeth healthy?
5. Write the name of your favourite season and two of its characteristics.

**Students will write answers to these activity tasks in subject specific exercise books at home, and submit the exercise books to respective subject teachers after schools reopen.
Under no circumstance, students will go out of home.**
