

MODEL ACTIVITY TASKS
CLASS – V
OUR ENVIRONMENT

Write the answers to the questions given below :

1. What restrictions should be imposed in order to keep a pond clean ?
2. Why should we not drink the water from a shallow tubewell ?
3. Why do you think that the biodiversity of a region must be conserved ?
4. “ Perhaps the ants can sense the possibility of rain”. Mention an incident that supports the statement.

**Students will write answers to these activity tasks in subject specific exercise books at home, and submit the exercise books to respective subject teachers after schools reopen.
Under no circumstance, students will go out of home.**
